Whereas, UWS Chapters 17&18 are currently under a revision process due to be completed by the end of Spring Semester, 2009;

Whereas, the proposed revisions are overwhelmingly opposed by student government and students at large;

Whereas, the UWRF Student Association Student Senate passed a motion in the year 2008 strongly opposing multiple provisions within the proposed revisions of Chapter 17 that would, if enacted, greatly threaten student rights in the non academic misconduct process;

Whereas, the provisions within UWS Chapter 17 would allow for potentially any allegation of wrongdoing to result in a charge against a student for non academic misconduct, even if such an allegation is cited to have occurred off of university lands;

Whereas, if these revisions are not opposed this semester there will be no opportunity to have them revised for a period of, on average, 15-20 years;

Therefore, be it resolved that the Student Association Student Senate reaffirm its strong opposition to the proposed revisions of UWS Chapters 17&18 based upon the concerns listed in the previous Senate motion from 2008;
