Meeting Minutes
Thursday, February 26, 2009
Red Cedar Room

Attendance: Kim Ferguson, Mark Barnard, Tom Leyengl, Heidi Sirek, Meghan Moynihan, Cara Rubis

Advisor's Report:
There are several sustainability projects coming up in the University Center:

1. Dual flush valves are going to installed into the 45 toilets in the UC to regulate the amount of water used.
2. We are installing 4 Eco-Friendly air hand-dryers. (they will pay for themselves in 6 months by saving labor and supplies cost for the current paper towels)
3. There will be water bottle filling stations installed on 3 of the water fountain spouts (2 on first floor, 1 on lower level).

Dining Services Report:
No report

Fees and Facilities Report:
Next meeting will be in March – during February meetings, we discussed/recommended budgets for all the sub-committees of F&F.

New Business:
Update to the Vendor table policy to read:

4. Individual Student Organizations can reserve a table up to nine times during the semester and three times a week.
    i. Any request exceeding the three times per week limitation will be evaluated based on the availability on the morning of the request. An approved request will still be applied towards the nine times during the semester limit.
    ii. While Student Senate is granted up to 25 times per semester due to their unique organizational structure of various subcommittees.
    iii. Career Services is granted up to 25 times per semester due to the fact they are helping promote jobs to students during/after their college career.
