

## INTERNATIONAL BACCALAUREATE COURSE LIST

This table lists IB courses which have been reviewed by academic departments at UW-River Falls. Additional IB courses not listed here will be reviewed as necessary.

Students must have IB send an official score report directly to UWRF to be awarded IB credit.

We are instructed by IB not to accept student copies or high school copies as official documents. When students schedule the IB exams they should list UWRF as a school to receive the IB score report. Students who do not list UWRF as a score recipient when they take the IB must ask IB to send a supplemental score report to UWRF. Students may see <http://www.ibo.org> (click on FAQ) for supplemental score request instructions. Credit will be awarded only once for IB, Advanced Placement (AP) or College Level Examination Program (CLEP) exams which are in the same subject.

SL = Standard Level      HL = Higher Level

IB COURSE	SCORE	UW-RF CREDIT AWARD (SEMESTER CREDITS)
